

Guildford Phoenix Feedback

Fantastic fun as always. My son and I enjoyed the game and he particularly loved the fighting 🥊 Was a great event and we're looking forward to showing our support at the final in February!

Brilliant evening again, my son is a full fan now! We even won the raffle 🥳 Great to see lots of goals, hoping to bring whole family for a game soon.

Just wanted to say a big thank you for our recent tickets to Guilford Phoenix. We have only ever been to see the Guildford Flames play but found this game just as exciting to watch. We will definitely be back to watch them again and wish them all the best this season.

Thanks also to BLC for putting on these great opportunities.

It was an exciting game, energetic, the first ice hockey we saw live! Loved the action, the atmosphere and even the music, definitely going again.

Thank you!

We had a great time at the game. The venue was very impressive. It was our first trip to an Ice Hockey game and we loved it. We plan to watch more. Very entertaining. The admin re picking up the tickets was very smooth. Thoroughly recommend it.

Thank you very much for the tickets!

This was our first experience as a family of Ice Hockey and we very much enjoyed it! As a family, one of the things we had put on our things to do this year list was to experience some different sports live and this Ice Hockey match was the first doing this. We all enjoyed the experience.

My son and I went to this event and it was great & I would like to thank Blue light for this opportunity. It isn't something that I have previously thought about doing but myself and my 16 year old son really really enjoyed it.

Thank you!!
